

Progression Requirements for the double-degree BBA/CS

A total of 5.0 credits must be completed by August 31 for progression to Year 2.

A total of 10.0 credits must be completed by August 31 for progression to Year 3.

The following requirements 'A' and 'B' must be satisfied:

A. GPA of 7.00 for all BU courses, and GPA of 5.00 for all EC, CP, PC, MA and other courses

B. GPA of 5.00 for all CP courses, and an overall GPA of 5.00

GPA requirements for both Business and non-Business courses must be achieved by August 31 for progression into the next year.

If you have not met either 'A' or 'B' by August 31, you will be removed from the double-degree BBA/CS.

If you have met 'B', but not 'A', you can always change your program to the single-degree [Honours BSc Computer Science](#). You can do it even **after** you have been removed from the double-degree (as long as 'B' still applies). For more info, you must read [Changing your program to 'Computer Science' or adding a CS major](#).

If you have met 'A', but not 'B', you can change your program to the single-degree [Honours Business Administration BBA](#). For more info, contact bbaadvising@wlu.ca.

For help with GPA calculation, contact ServiceLaurier@wlu.ca.

If you have not met either 'A' or 'B', for further questions, contact ScienceAdvising@wlu.ca and bbaadvising@wlu.ca.
