

Course Syllabus

PC235 Classical Mechanics

Department of Physics and Computer Science, Faculty of Science, Waterloo Campus

Winter | Year 2019

Instructor Information

Marek S. Wartak | Office N 2076 D

Contact Information (x. 2436/mwartak@wlu.ca)

Weekly Office Hours (M 2:30 -3:30 pm) or by appointment

Course Information

This is an intermediate level course in classical mechanics. The major topics covered are Newtonian dynamics, dynamics of particles, non-inertial frames of reference, Lagrangian and Hamiltonian dynamics, oscillations, rigid body motion.

The course covers fundamental topics in classical mechanics with extensive focus on applications. Students will learn how classical mechanics works, and are given the opportunity to show what they have learned by testing their understanding of the concepts and applying them to real-world scenarios.

Credit: 0.50

Prerequisite: PC131, MA201, MA205.

Course location: MWF 11:30-12:20 pm in N1058

Course Overview and Approach

After taking this course you will, among other things, be able to:

- Understand the basic concepts of classical mechanics.
- Apply skills learned to solve some real-life problems.

The course is structured in terms of thematic units which will help students study in a fair detail and understand the most important aspects of classical mechanics. The course is lecture based. During each class students will be able to ask questions if they need more clarification. After the lecture I would expect students to have at least basic understanding of the most important parts of the topics discussed.

Course Goals and Learning Outcomes

Upon completion of this course, the student should:

- i) understand the physical principle behind the derivation of Lagrange and Hamilton's equations, and the advantages of these formulations,
- ii) be able to relate symmetries to conservation laws in physical systems, and apply these concepts to practical situations,
- iii) master different problem-solving strategies within mechanical physics and assess which of these strategies is most useful for a given problem,
- iv) understand the intricacies of moving-reference frames and rigid-body motion

Course Tools and Learning Materials

Principal course textbook is:

R.Douglas Gregory, "Classical Mechanics", Cambridge University Press 2006

Student Evaluation for PC235

Assessment	Weighting
Quizzes	20%
Midterm	35%
Final Exam (comprehensive)	45%
Total	100%

Notes

QUIZZES: There will be list of homework problems distributed in class. The list will be made up of problems from the end of each chapter. Homework will not be collected. Instead, a 10 min closed-book quiz will be given at the end of a lecture after the chapter material has been finished. The quiz will consist of one of the homework problems.

Tentative Weekly Schedule

Week # and dates	Topic	Lesson outcomes and learning activities
Week 1. Jan.7-Jan.11	General info	Discussion of syllabus. Vectors
Week 2. Jan.14 - Jan.18	Velocity and acceleration	Summary of classical mechanics
Week 3. Jan.21- Jan.25	Newton's laws of motion	Summary and applications of Newton's laws
Week 4. Jan.28 - Feb.1	Linear oscillations	Simple harmonic motion
Week 5 Feb.4 - Feb.8	Energy conservation	The energy principle
Week 6. Feb.11- Feb.15	Non-linear oscillations	The phase plane in dynamics
Feb.18- Feb.22	Reading Week (no classes)	No classes
Week 7. Feb.25 - March 1	Lagrange's equations	D'Alembert's principle
Week 8. March 4 - March 8	The calculus of variations	Hamilton's principle
Week 9. March 11 - March 15	Hamilton's equations	Legendre transforms
Week 10. March 18 - March 22	General theory of small oscillations	Stable equilibrium and small oscillations
Week 11. March 25 - March 29	Rotating reference frames	Particle dynamics in a non-inertial frame
Week 12. April 1 - April 5	Tensor algebra	Orthogonal transformations

University and Course Policies (proposed and required text)

Laurier has several senate approved policy statements it requires instructors to include in their syllabus. Those with specific wording approved by senate are indicated specifically below.

1. **Academic Calendars:** Students are encouraged to review the [Academic Calendar](#) for information regarding all important dates, deadlines, and services available on campus.
2. **Special Needs:** Students with disabilities or special needs are advised to contact Laurier's Accessible Learning Centre for information regarding its services and resources.
3. **Plagiarism:** The University has approved the following wording for inclusion on all course syllabi about the use of the institutionally supported plagiarism software tool. "Wilfrid Laurier University uses software that can check for plagiarism. If requested to do so by the instructor, students are required to submit their written work in electronic form and have it checked for plagiarism." (Approved by Senate May 14, 2002) .

In addition to the statement above you may wish to add the following text about academic integrity.

4. **Academic Integrity:** Laurier is committed to a culture of integrity within and beyond the classroom. This culture values trustworthiness (i.e., honesty, integrity, reliability), fairness, caring, respect, responsibility and citizenship. Together, we have a shared responsibility to uphold this culture in our academic and nonacademic behaviour. The University has a defined policy with respect to academic misconduct. As a Laurier student you are responsible for familiarizing yourself with this policy and the accompanying penalty guidelines, some of which may appear on your transcript if there is a finding of misconduct. The relevant policy can be found at Laurier's [academic integrity](#) website along with resources to educate and support you in upholding a culture of integrity. Ignorance is not a defense.
5. **Classroom Use of Electronic Devices:** State your classroom practice and any consequences for student failure to comply – see [Policy 9.3](#) (Approved by Senate March 8, 2012).
6. **Late Assignment Policy:** Specify any penalties that will be assessed when deadlines for the completion of course components are not met (Approved by Senate May 23, 2012). Refer to the Handbook on Undergraduate Course Management for more information.
7. **Final Examinations:** Students are strongly urged not to make any commitments (i.e., vacation) during the examination period. Students are required to be available for examinations during the examination periods of all terms in which they register. Refer to the Handbook on Undergraduate Course Management for more information.
8. **Foot Patrol, the Wellness Centre, and the Student Food Bank:** The University approved the inclusion of information about select wellness and safety services and supports on campus in the course information provided to students. (Approved by Senate November 28, 2011.) Specific language (by campus) is provided below.

Multi-campus Resource:

- Good2Talk is a postsecondary school helpline that provides free, professional and confidential counselling support for students in Ontario. Call 1-866-925-5454 or through 2-1-1. Available 24-7.

Kitchener/Waterloo Resources:

- [Waterloo Student Food Bank](#): All students are eligible to use this service to ensure they're eating healthy when overwhelmed, stressed or financially strained. Anonymously request a package online 24-7. All dietary restrictions accommodated.
- [Waterloo Foot Patrol](#): 519.886.FOOT (3668). A volunteer operated safe-walk program, available Fall and Winter daily from 6:30 pm to 3 am. Teams of two are assigned to escort students to and from campus by foot or by van.
- [Waterloo Student Wellness Centre](#): 519-884-0710, x3146. The Centre supports the physical, emotional, and mental health needs of students. Located on the 2nd floor of the Student Services Building, booked and same-day appointments are available Mondays and Wednesdays from 8:30 am to 7:30 pm, and Tuesdays, Thursdays and Fridays from 8:30 am to 4:15 pm. Contact the Centre at x3146, wellness@wlu.ca or @LaurierWellness. After hours crisis support available 24/7. Call 1-844-437-3247 (HERE247).

Brantford Resources:

- [Brantford Student Food Bank](#): All students are eligible to use this service to ensure they're eating healthy when overwhelmed, stressed or financially strained. Anonymously request a package online 24-7. All dietary restrictions accommodated.
- [Brantford Foot Patrol](#): 519-751-PTRL (7875). A volunteer operated safe-walk program, available Fall and Winter, Monday through Thursday from 6:30 pm to 1 am; Friday through Sunday 6:30 pm to 11 pm. Teams of two are assigned to escort students to and from campus by foot or by van.
- [Brantford Wellness Centre](#): 519-756-8228, x5803. Students have access to support for all their physical, emotional, and mental health needs at the Wellness Centre. Location: Student Centre, 2nd floor. Hours: 8:30 am to 4:15 pm Monday through Friday. After hours crisis support available 24/7. Call 1-884-437-3247 (HERE247).
